

Elwin - COB LED Tracklight

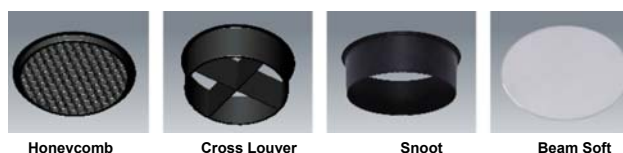

Series No: HG-CT174

The GG-CT174 LED Tracklight is perfect choice for both new & replacement which provides excellent light intensity in various light effect.

Features:

- Die-cast aluminium housing
- High performance optical firm diffuser
- High CRI >80 or 90
- High Power Factor (>0.9) & Driver Efficiency (>88%)
- Energy Efficiency
- Long lifetime (35,000hrs)
- **Various type of accessories creates different effect:**
Honeycomb, Cross Louver, Beam Soft lens etc.,

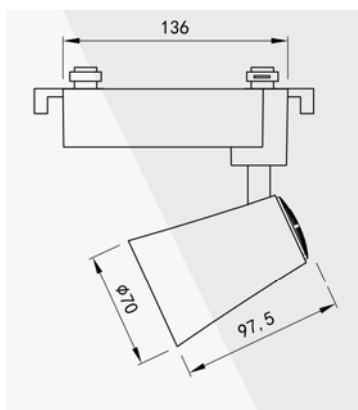

- © Minimal heat generation & high efficacy power transformer
- © 35,000hours
- © Excellent photometric performance

Standards:

- IEC/EN 60598-1, IEC/EN 60598-2-2
- IEC/EN 55015, IEC/EN 61547
- IEC/EN 61000-3-2, IEC/EN 61000-3-3
- RoHS compliant

Dimension:

Specification:

Model:		HG-CT174			
Rated Power:		7w	10w		15w
Voltage:		200-240V AC		50/60Hz	DC200 / 300 / 350mA
Beam Angle:		15° 24° 36° **60°**			
Color Temp:		3000k	4000k		5000k
Lumen Output@38°	7w	600lm	620lm		650lm
	10w	760lm	780lm		820lm
	15w	1130lm	1160lm		1200lm
Dimenison:		Please refer to Dimension Chart			
Housing Color:		White / Black			
Operation Temp:		-10 ~ 40℃			
CRI:		> 80 or 90			
Life time:		35,000hours			

** 60 degree beam angle is optional **
